NO ONE IS TOO SMALL FOR EVERYONE!

JAMCAMP CLASSIC (ages 5-8)

JAMcamp Classic is a super-fun and enriched opportunity to dive deep into the JAMband musical world through the vehicles of singing, dancing, creative drama, songwriting, art creation, crafting and playing for kids in Kindergarten - 3rd grade, culminating in a performance of our own creation each week. JAMcamp is an experience your children will remember forever, overflowing with love, creativity, and the basic honoring of their voices and fundamental human need to connect, play, and be magical! We LOVE our job, and hope you will join us for this very important work of LEARNning through the vehicles of music, dance, theater, art and PLAY. *Camp Leader: Charity Kahn*

MAKING A MUSICAL (ages 8-11)

Focusing on basic singing techniques, breath and voice control and staged movement, we will work toward producing a unique and totally original musical! Along with learning to master the music, we will also focus on character and story development with our piece in a nurturing and creative environment. We will combine classic musical theatre songs with characters of our own invention to manifest a show that will capture the spirit of Broadway. *Camp Leader: Ashley Cowan*

PRESENTING A PLAY (ages 6-9)

This camp immerses children in the magical world of creative drama! Students will act out classic and contemporary stories, as well as work toward creating their own unique adventure. Major emphasis will be placed on pantomime, improvisation, character development and the fundamentals of story structure. Using fun improvisational techniques, students will create their own play to perform at the end of the week. *Camp Leader: Ashley Cowan*

GLEE CAMP (ages 8-12)

Please visit our friends at Inspire Music to learn more about this camp and other camps for older kids. InspireMusicCenter.com *Camp Leader: Victor Cervantes*
