

THE SONG IN YOUR HEART

B **B**
you can wander the wilderness

E **F#** **B**
sail the seven seas

B **B**
climb the highest mountain peaks

E **F#** **B**
cross the valleys

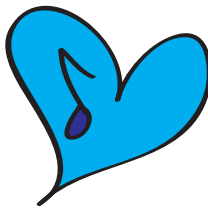

G#m **F#**
traverse the driest deserts

E **F#** **B**
get pounded by the rain

B **F#**
but the song in your heart

E **F#** **B**
is never goin' away

you can dig deep down into the earth
fly to a distant star
searchin' for a treasure chest
and riches from afar
for diamonds and rubies
silver coins and golden rings
but the song in your heart
is your most treasured thing

F# **F#**
you can't lose it, you can't break it

E **F#** **B**
you can't fudge it or fake it

F# **F#**
you can't sell it, you can't buy it

E **F#** **B**
and you sure can't deny it

G#m **E**
you can't trade it, loan it

C#7 **C#7**
beg, borrow, steal or own it

E **E**
because the song in your heart

E **B**
is with you for good

so if you ever think you've lost it
feel alone and scared and blue
confused about which road to take
can't see which path is true
float quietly and listen
like a bird upon the wing
for the song in your heart
and you *will* hear it sing!
