

I'M A LITTLE BUNNY

C
oh I'm a little bunny

C
just watch me hop

C
I'm gonna hop hop hop

F **G**
and I'm never gonna stop

C
I'm gonna hop all around

F
on my big furry feet

G
oh I'm a little bunny rabbit

F **C**
dancin' down the street

oh I'm a little bunny
got floppy flop ears
floppy flop ears
that can really really hear
they like to listen to the birds
on the high wire tweet
oh I'm a little bunny rabbit
dancin' down the street

oh I'm a little bunny
with a puff for a tail
my puffy fluffy tail follows
me down the trail
I can shake it all around
I can shake it to the beat
'cause I'm a little bunny rabbit
dancin' down the street
oh I'm a little bunny rabbit
dancin' down the street
oh I'm a little bunny rabbit
dancin' down the street
