2. Tell about a time where you really listened to someone else.

CHECKING IN

1. Tell about a time where someone checked in with you.
2. Tell about a time where you checked in with someone else.

What are some more qualities you want to cultivate and practice in your community? What are some examples where someone showed this quality to you, or you showed this quality to another?

And remember, we can practice all these qualities toward animals, plants and the Earth, too...not just humans. Let's include *ALL* beings in our circle of care!

Verse 1

We love everyone
The people and the creatures
and the Earth and the sun
All around the world you know
peace has begun
'Cause we love everyone

Verse 2

We are kind to everyone
The people and the creatures
and the Earth and the sun
All around the world you know
peace has begun
'Cause we are kind to everyone

We're kind!
We're kind!
We're kind...to everyone!

Verse 3

We respect everyone
The people and the creatures
and the Earth and the sun
All around the world you know
peace has begun
'Cause we respect everyone

We respect!
We respect!
We respect...everyone!

Verse 4

We share with everyone
The people and the creatures
and the Earth and the sun
All around the world you know
peace has begun
'Cause we share with everyone

We share!
We share!
We share...with everyone!

Verse 5

We love everyone
The people and the creatures
and the Earth and the sun
All around the world you know
peace has begun
'Cause we love everyone

We love!
We love!
We love...everyone!
