Thank you!!!

Darling let's be valentines
I'll be yours and you can be mine
Right here is the place
Where we belong

We can show the world our love
Earth below and sky above
And all the birdies in the trees
Will sing our song

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

Love you!

Darling let's be valentines
I'll be yours and you can be mine
We'll hold hands and walk
Around the world

We can smile at everyone
Hug the moon, and shine with the sun
And all the stars up in the sky
Will sing our song

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

Love you!

Darling we're all valentines
All the world and all of the time
And all that's in our hearts
Was meant to share

Find your kindness, know it's true
You're in love, and love is in you
All the valentines are singing
Can you hear them now?

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

La-la la love you!

Love you!

I love you!

I love you!

I love you!

I love you!

I love you!

I love you!

Love you!

or tell a story about a time
when someone was kind to you
or you were kind
to someone else,
and how that felt inside.

Have fun!
